

If this product is being installed outdoors, or a location where the product will be exposed to high levels of moisture, it is suggested that you should apply a silicone seal around the back-plate/canopy. (Not supplied)

Please install the fixture onto a sufficiently strong, load bearing surface.

ASSEMBLY STEPS:

- 1. D → C, E
- 2. D → F, E
- 3. B → C
- 4. A → C

See final page for wiring instructions.
